

Man Dies Working On Oil Well Road Near Bergen

Pat McGillivray of Olds died suddenly last Thursday while operating a tractor on construction work on the new oil well road west of Bergen. Presumably he suffered a heart attack.

A truck driver moving equipment into the well site noticed Mr. McGillivray let out the clutch on the machine and then slump to the seat. He immediately went to his aid but from all indications he died instantly. Dr. Miller of Sundre and the R.C.M.P. of Olds were notified.

Enid Mjølness and Chris Admussen remained with the body until the arrival of police and an ambulance.

The machine being operated by Mr. McGillivray at the time of his death was owned by Gordon Scott.

Due to the very fine weather most of the farmers have their hay up and some intend cutting grain this week. Some crops look excellent. Of particular notice is a field of barley on the Harvey Wideman farm that looks wonderful and Eugene Sallor has a beautiful stand of wheat which is a rare sight in this area.

Rev. Swalm, pastor of the United Missionary Church, announced that next Sunday, August 23, will be flower Sunday. The church will be decorated before Sunday School at 10:30 a.m. and anyone who would like to donate flowers is kindly invited to do so.

Mr. and Mrs. Eric Lyle report that their son Ronald is resting as comfortable as a body cast will allow. In the Rocky Mountain hospital. They expect him home as soon as a broken vertebrae in his back is better. Eric was badly maulled by a grizzly bear during his duties as a forest ranger.

NEW SIDEWALK CONSTRUCTION UNDERWAY ON MAIN STREET

A wrecking crew Tuesday started tearing up the cement sidewalk along from Law's Drug Store to the Royal Bank in preparation for laying new cement. The town also intends to lay new cement from the Municipal Office north to Edford Motors.

WEST NOTES

The Elton Willing Workers met at the home of Mrs. K. Barnard on Wednesday of last week. It being "Grandmothers' Day" no work was done but there was a short program after which the grandmothers, Mrs. H. Barnard, Mrs. F. Byrt, Mrs. M. Campbell, Mrs. A. L. Hogg and Mrs. K. Konechny, were seated at the tea table. Mrs. Barnard, as senior grandmother, cut the cake made by Mrs. O. Blain. The only great grandmother, Mrs. W. Blain, was not feeling well enough to be able to attend. Also missed was Mrs. D. Gillies Sr. who is visiting at Victoria, B.C.

There was some discussion on how to raise money this fall, but it was left to the next meeting for a definite decision. The next meeting place will also be decided at a later date.

Mr. and Mrs. H. Anderson of Red Deer were weekend visitors with Mr. and Mrs. L. Krebs and Mr. and Mrs. G. Anderson were Sunday visitors.

Mr. and Mrs. Arnold Hogg spent Sunday with the latter's parents, Mr. and Mrs. C. Wilson west of Cremona.

Congratulations to Mr. and Mrs. Gordon Befus — it's a boy, a brother for Donald Gordon. Mrs. Befus and baby were able to leave the hospital on Tuesday.

We are pleased to hear that Mr. F. Byrt is improving in the Didsbury hospital.

Warm weather is bringing the grain on apace and even some fields that were hailed in July are promising some return. If frost doesn't come too early, one or two of the farmers have started to cut barley.

Mr. and Mrs. John Befus were up from Calgary for a couple of days at the beginning of the week.

Mr. and Mrs. R. McGaffin and family visited at the home of Mrs. O. Krebs on Sunday before leaving this week to make their home at the west coast.

CREMONA MAN DOWN WITH POLIO

It has been reported that a 22-year-old Cremona man was admitted to isolation hospital in Calgary last weekend suffering from poliomyelitis.

To date 100 cases, far above the number ever before reported in Calgary and district, have occurred since the disease became prevalent a few short weeks ago. Thirteen deaths have occurred in the province so far this year from the disease.

MOUNTAIN VIEW

Mr. John Atkinson and a girl friend of Cloverdale, B.C., visited Saturday in the district with Kay and Margaret Atkinson, Mr. and Mrs. Eric Atkinson and Mr. and Mrs. Arthur Gebers. John's folks lived at one time on the Eric Atkinson farm.

Among tokens of appreciation presented to members of the Canadian Red Cross Society, host to the 18th International Red Cross Conference, is this "splendid" star, worn by Harold H. Leather, Hamilton, chairman of the executive committee. The scarf and a book were gifts of the Indonesian delegates. Left to right are: Soediman Kartohadimodjo, Hon. Leopold Macaulay, chairman of central council; Mr. Leather, Miss Paramita R. Abdoerachman and Lt.-Col. Dr. Soemarno Sosroatmodjo.

OLDS ELKS PLAN AID FOR YOUTH

The Olds Elks Lodge last week gave approval to plans to donate \$200 toward a fund to aid Frank Chaffin, 12-year-old boy, who last both arms when struck by a train at the north railway crossing in Olds recently.

In addition, the lodge organized a committee to act on raising funds, which will be used to aid the youth. Plans were completed for a show in the Mayfair theatre the evening of August 24, proceeds of which will go to the same benefit.

An appeal will be made to the "Save the Children" fund, the national objective of the Elks, for a contribution to this cause.

the Adam Morasch home.
Mr. and Mrs. Eugene Durrer and Richard of Calgary are visiting with Mr. and Mrs. Walter Pratt and family for a few days.

Sunday dinner guests with Mr. and Mrs. William Shultz were Mr. and Mrs. G. Wagner and four children of Ponoka and Mrs. Wagner's mother and brother and sister of Sunnyside, and Mr. and Mrs. H. Shultz and family.

Mr. and Mrs. Wm. Shultz, Harold and Grant were Thursday supper guests with Mr. Donald Shultz at Hobema.

Mr. and Mrs. B. A. Atkinson left Saturday to spend a few days at Banff and other points.

SLIDES AND SOUVENIRS MEMENTO OF HONOLULU TRIP

A very enjoyable evening was held at the home of Mr. and Mrs. Lynn Hunsperger recently when Miss Enith Hunsperger of Edmonton, just returned from a three weeks' vacation in Honolulu, entertained those present with beautiful colored slides and gave an explanation of each. She brought back many beautiful souvenirs which were also displayed.

Each lady guest received a lovely baby orchid and Miss Hunsperger brought several different kinds of nut flowers which were most beautiful. The hostess served a delicious lunch, first on the menu being pineapple juice, after which all moved to the salad bar and helped themselves to numerous native foods. Ice cream and cookies were also served.

The guests departed, all having to see beautiful Honolulu. Those present were Miss Beverly Redfield, Miss Marjorie Thede, Miss Salina Deleis, Miss Velma Traub, Misses Grace and Enith Hunsperger, Mr. Charles Matson, Mr. Grey Cressman and Mrs. Mary Cressman of Calgary, Mr. and Mrs. Alf Snyder, Mr. and Mrs. Walter Snyder, Mr. and Mrs. Loyal Snyder, Mr. and Mrs. H. Deleis, Mr. and Mrs. H. W. Folkmann, Mr. and Mrs. Fred Befus, Mr. and Mrs. W. A. Sherriek, Mr. and Mrs. E. Dippel and Mr. and Mrs. M. Dippel.

LEGION GOLF TOURNAMENT

Three Didsbury Legion members and one Legion Auxiliary member took part in the Legion golf tournament at Innisfail on Sunday. Those taking part were Mr. and Mrs. Joe Freeman, Cyril Brooke and Wilf Sherry, but none were able to bring home a prize.

East Road And Bridge To Be Completed This Year

REDEEMER LADIES' AID MAY HOLD SEWING COURSE

"True Wisdom Found Only in Christ" was the topic chosen by Rev. E. B. Fox which was discussed at the Redeemer Ladies' Aid, explaining that from the Word of God we receive strength, understanding and wisdom. The topic was taken from chapters 8 and 9 of Proverbs.

Seventeen members answered the roll call and three visitors were present.

On Sunday, August 31, the annual Mission Festival will be held. It was decided to try and hold a sewing course some time in the near future.

Mrs. Martha Moench volunteered for sick committee for August.

The meeting adjourned with the Lord's Prayer followed by lunch served by Mrs. Fred Befus and Mrs. Arnold Bode.

FALLEN TIMBER NEWS

Mr. and Mrs. W. Pyten and Mr. and Mrs. W. Goehle have left for a trip to Coeur d'Alene, Idaho, and other points of interest in the U.S.

Mr. and Mrs. V. Johnson of Ponoka were recent visitors at the home of the former's sister, Mrs. L. Wismann.

Mr. and Mrs. Henry Davis of Three Hills were recent visitors at the home of Mr. and Mrs. Bob Moore of Bergen.

Friday evening, August 15, a farewell party was put on by the friends of Mr. and Mrs. Bob McGaffin, Jacquette and Barry of Didsbury, who left this week for Vancouver, where they are entering Bible School.

Everyone enjoyed a weiner and cranberry sauce and sing song after which the guests of honor were presented with a purse of money, with best wishes from their many friends. They will be greatly missed in the neighborhood as they came out each Sunday to help in the Foursquare Church services.

Mr. and Mrs. Sunday of White Stare were visitors at the home of their daughter, Mrs. Dean Stair this week. Mr. Smith, however, took bronchitis and spent his holiday in the Didsbury hospital. We hope he is well recovered by now and that they are able to enjoy the rest of their stay in Calgary.

Mrs. Dean Stair entertained some of the ladies of the neighborhood at a tea for her mother last week.

Mr. and Mrs. J. H. Cooper were Calgary visitors last week.

Mr. and Mrs. Glenn Cooper had a bear visit their home recently. They heard him rummaging about in the yard and Glenn frightened him away but not before the bear stood up on his hind legs and startled at him. Many others have reported seeing signs of bears in the district.

The regular Foursquare Gospel Church service was held at the Fallen Timber School on Sunday with Rev. C. and Rev. R. Moore in charge. Rev. Moore was privileged in having the Rev. and Mrs. C. Hall of Seattle, Wash., at the service. Rev. and Mrs. Hall are the district super-visors of the Northwestern Foursquare churches.

Also attending the service were Rev. and Mrs. Galbraith of Edmonton. The Sunday School church presented Mr. and Mrs. Bob McGaffin, Jacqueline and Barry each with a sum of money. After the service everyone had a picnic lunch in the yard.

Church and Sunday School are held each Sunday with Sunday School at 2 p.m. and church at 3 p.m.

FOOT AND MOUTH CONTROLS LIFTED

Canada's six months fight against foot-and-mouth disease officially ended Tuesday. Experts estimate the economic damage from the outbreak may run between \$50,000,000 and \$100,000,000.

Agriculture Minister Gardiner made the announcement that Canada is free of the disease about 9 a.m. Tuesday. All restrictions in Southern Saskatchewan imposed as a result of the outbreak terminated immediately.

The announcement said: All farms in the South Saskatchewan infected area were free of the disease.

The 21-municipality quarantine area and the surrounding 38-municipality buffer zone had been removed. These restrictive measures were taken to contain the virus in the Saskatchewan area.

It restored the movement of livestock and meats across the country. The announcement, however, did not restore the big red United States market for Canadian livestock and meats, barred to Canadian cattle since last February 25.

Word has been received that straightening of the road from the Didsbury Municipal Hospital to the main Calgary-Edmonton highway will definitely be completed this year.

It has also been stated that a government bridging crew will install a new bridge on the road.

All that remains to make the plan really complete is for the Town of Didsbury to do extensive work on the portion of the road within the town limits, from the hospital to the railway tracks.

Mr. and Mrs. Alex Babik and Donnie were Sunday guests of Mr. and Mrs. J. Edwards. Bruce Edwards accompanied them home for a visit of several days.

Mr. Alex McNair and Miss Marjorie Affleck of Edmonton were weekend visitors with Mr. and Mrs. T. McNair.

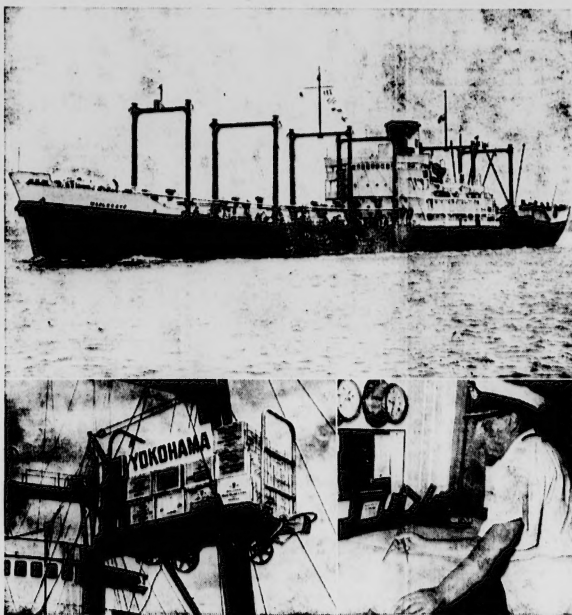

Sunday dinner guests of Mr. and Mrs. Cliff Eckstrand were Mr. and Mrs. Herman Tittsworth and Mr. Ben Tittsworth of Kansas, and Mr. John Tittsworth.

Mr. and Mrs. J. B. Hipkin and Patricia were Sunday visitors with Mr. and Mrs. E. A. Bartz and family.

Mr. and Mrs. L. Hunsperger and family, and Miss Grace Hunsperger accompanied Miss Enith Hunsperger on Sunday to the airport, where she returned to Edmonton by plane.

Mr. and Mrs. E. Cogswell, Mr. and Mrs. H. Freeg and Marylan, Mr. and Mrs. M. Dippel and Carole, were Sunday dinner guests of Mr. and Mrs. C. Stroud and family.

Monday dinner guests of Mr. and Mrs. E. Dippel were Mr. and Mrs. A. E. Deader, Mr. and Mrs. Herman Tittsworth, Miss Verna Decker of Red Deer, Miss E. Walters, Mr. and Mrs. J. L. Tuggle were Monday evening visitors.

To the Canadian Pacific Steamships' 10,000-ton cargo vessel Maplevee goes the honor of being the first company ship to provide service since World War II. The ship, which sailed from Montreal recently, is headed for Vancouver, where she will take on the balance of her cargo. The route for the new service will be between Tacoma, Seattle, Vancouver, Yokohama, Kobe, Manila, Cebu, Hong Kong and Nagoya, and late in September the Maplevee will be joined by her sister ship Mapleleaf, to offer a monthly service between these ports. Lower right shows Maplevee's shipper, Captain R. A. Levesque, in his ship's wheelhouse. The ship is shown loading a cargo sling with a load of Canadian produce bound for Yokohama, Japan, being loaded on the ship at Montreal. All-Canadian crews will staff the two ships.

The "Red" Dean of Canterbury's findings on germ warfare recently brought an angry demand in the British Parliament for his immediate dismissal. Nipso Conservatives asked the House to petition the Queen to dismiss the 78-year-old dean, Dr. Hewlett Johnson, who returned from a tour of Communist China.

CHRISTIAN SCIENCE

The operation of divine intelli-
gence in human affairs will be il-
lustrated Sunday in Christian Science
churches. The subject is "Mind,"
and the Lesson-Sermon will contain
this episode from the gospel of St.
Mark: "And Jesus rebuked him,
saying, Hold thy peace, and come
out of him. And when the unclean
spirit has torn him, and cried with
a loud voice, he came out of him."
(1: 25, 26). Also included will be
this declaration from "Science and
Health with Key to the Scriptures"
by Mary Baker Eddy: "The only
way to this living Truth, which
heals the sick, is found in the
Science of divine Mind as taught
and demonstrated by Jesus Christ."

W.K. Snyder,
Field Supervisor

Soil Sterilants for Weed Control:
Many of the soil sterilants give better results when applied in the fall of the year, says Mr. G. E. Sterling, supervisor of soil conservation and weed control for the Alberta department of agriculture. While they will control all weeds they are rather expensive. They should not be applied to weeds that can be controlled by cultivation or by other chemicals such as 2,4-D.
Toad Flax is one bad weed that cannot be controlled effectively by 2,4-D and is costly to control by cultural means. In harvesting fields which contain small patches of toad flax it is advisable to treat those patches while binding or swathing. A small amount of sodium chlorate can be easily carried on the tractor and it takes only a minute to apply 5 or 6 pounds of the dry material per 100 sq. feet. This will sterilize the soil and leave a permanent mark which can be checked next year. If the sodium chlorate is used it should be in a tight container so as to eliminate the fire danger of carrying it on a hot tractor.
Mr. Sterling points out that "Spot Treatment" is the key to effective and economical use of soil sterilants. They can stop a weed in its tracks before it has a chance to spread from a small infestation. Or they can finish the job begun by cultural means without subjecting the soil to those extra cultivations which might be otherwise necessary.

MANY FARMERS BUILD
ADDITIONAL GRANARIES

There's a new sound in the grain country of Southern Alberta today as farmers wait for late summer to ripen up what they expect will be a bumper crop in all grains.
This new sound comes from farmers and saws, being put to use as a rash of granaries spring up.
Grain growers are tackling their own storage problem this year in the face of estimates setting the 1952 crop at a record high.
Preliminary crop estimates say total grain yields this year will be 1,263,000,000 bushels — 136,000,000 bushels more than in 1951.
The problem is where to store the golden deluge in elevators still crammed with last year's carry-over. Country elevator stocks at July 31 were 143,000,000 bushels compared with only 105,000,000 last year at the same time.
A frozen 1951 crop and another big crop in 1951, harvested during a period of unprecedented transportation and storage problem.
There is a lighter side. Grain men here say drought cutting feed grain yields in some U.S. states may increase demand for old low-grade Canadian grain and greatly aid clearing out country elevator stocks.
And with a long, open fall, grain harvested in top condition could

move through Lakehead ports with none of the hold-ups caused by low grade stocks in 1950 and 1951.
Meanwhile, the farmers are not taking chances.
Dealers report material sales for new farm granaries and repairs to old for temporary storage this fall are definitely increased.
"Within two years of issuing the mortgages on the government account, the mortgage companies will have the option of buying the mortgages for their own investment accounts."

RED CROSS PROVINCIAL
ZONE COMMITTEE MEETS

The election of a provincial zone chairman, a report on a successful campaign and a word of caution highlighted a meeting of the provincial zone committee of the Canadian Red Cross Society at Calgary on August 1st.

Mrs. H. E. Bedingfield of High River was elected provincial zone chairman, succeeding Mr. W. A. Austin of Didsbury, organizer of the committee. The new chairman comes to this important position after serving many years on the executive of the local High River branch and latterly as zone chairman for the High River area.

As a volunteer, the new provincial chairman will be responsible for the coordination and activities of approximately 30 zone chairmen serving in various areas all over the province. She will also encourage the formation of zones not now served by a chairman.

A report of the 1952 campaign revealed that the provincial objective of \$100,000 was exceeded by approximately \$20,000. However, officials pointed out that there could be no room for over-reliance as the actual anticipated expenditure for 1952 was slightly over \$80,000. This is the amount required to operate such services as the Crippled Children's Hospital, the Blood Transfusion program and the many other services of the Red Cross.

The situation was summed up when one official said, "The constant threat of the discontinuation of services will always be present unless the sum being spent by the province can be raised by the province."

FURTHER FUNDS
FOR HOUSING

The Toronto Telegram said last week the federal government is preparing to loan \$225,000,000 into the mortgage market in an effort to stimulate home-building across Canada.

A newspaper story says the effect will be two-fold — more homes for persons who need them and more jobs for the sagging building trade.

"The move has been taken by Dominion authorities because house-building this year is at least 27 per cent below 1951," it says. "In some areas, the decline is between 50 and 75 per cent."

"Arrangements are being made by Ottawa officials, under provisions of the National Housing Act, to distribute this big building jackpot through mortgage departments of life insurance companies."

"Within two years of issuing the mortgages on the government account, the mortgage companies will have the option of buying the mortgages for their own investment accounts."

KNOW
ABOUT
POLIO!

- Polio is a communicable disease — avoid crowds, restrict children to small neighborhood groups.
- A tired child is more susceptible to the disease and if the disease develops, a greater degree of paralysis is likely to follow.
- Swimming is dangerous because it causes fatigue and is chilling.
- Watch your personal hygiene — be sure to wash your hands before eating and after using the toilet.
- Where the disease is prevalent, avoid the removal of tonsils, adenoids and teeth.
- Mild cases are best cared for at home — a trip to hospital causes fatigue and may be dangerous.

DIDSBURY NEWS

CREMONA NEWS

Mrs. Harold Bellamy (nee Viola Coleman), a recent bride, received many lovely gifts when approximately 25 of her friends gathered on Friday afternoon, August 1, to honor her with a miscellaneous shower.

The shower, which was held in the annex room of the United Church, was sponsored by the Cremona W.I.

Mrs. Bellamy received her gifts seated under white and green streamers. She was assisted by Mrs. Lloyd Bellamy and Miss Phyllis Bouck.

A short program was presented, after which Mrs. Bellamy fittingly thanked her many friends. A dainty lunch served by members of the W.I. brought the pleasant afternoon to a close.

Sincere sympathy of Cremona and district is extended to Mr. and Mrs. M. Hewitt and family on the passing of Mr. Harry Hewitt.

Mrs. Charles Reid returned home over the weekend after spending the week in the local hospital. Mrs. Reid is suffering from a broken leg, the result of falling on a slippery floor and best wishes for a speedy recovery go out to her.

Congratulations to Mr. and Mrs. Guy Lalande (nee Marjorie Waterstreet), of Chicoutimi, Quebec, on the birth of a son on August 6.

Mr. and Mrs. John Tippe and Orville and Jimmy Tippe are holidaying at Vancouver and will return home via the United States.

Mr. and Mrs. James Whitlow recently left on a motor trip through the United States. Among the States they will visit are Texas and Oklahoma.

Rev. and Mrs. Morgan and daughter of Toronto are visiting with Mrs. Morgan's parents, Mr. and Mrs. Edwin Reid.

Miss Kay Poffenbath of Calgary is a guest at the home of Misses Wanda and Marilyn Rawleigh.

Miss Aileen Spillman, bride-elect of this month, was honored at a kitchen and linen shower recently when 35 of her friends gathered at the farm home of Mrs. A. Thompson, north of Cremona. The hostess is an aunt of Miss Spillman.

Miss Spillman sat under mauve and yellow streamers and balloons filled with confetti. Her gifts, presented to her in a ship, were received under a shower of confetti. The ship was carried by Bobby and Kirk Thompson, dressed in sailor suits.

Miss Clea Umbach and the bride's mother assisted in unwrapping the many gifts.

The bride's table was decorated with sweetpeas and a three-tiered wedding cake. Mrs. Ens, mother of the bride, poured tea, assisted by Mrs. E. Reid and Mrs. S. Schultz.

Mrs. Ens and Miss Spillman, now residing in Calgary, are both well known in the district.

Among those attending were Mrs. L. Grant and Miss D. Haaner, both of Calgary.

WALTHER LEAGUE OUTING HELD LAST TUESDAY

Some 38 Walther Leaguers and friends met at Redeemer Lutheran Church on Tuesday, Aug. 12, for an outing. The committee in charge, consisting of M. Evelyn Jofus, Ella Jans, Kenneth Berreth and Reginald Nuss, had made all arrangements but kept the type of outing and the place for the outing a secret.

Eight cars with leaguers motored to the P. Nuss farm where everyone saw a hayrack loaded with hay. After the party was on, it was noticed that one tire was nearly flat. In a few minutes this had been inflated and a happy gang of young people were on their way.

Amidst much laughter and singing the group were taken over hills and through valleys to the McKay pasture. Here, after a bonfire had been started, a Weiner roast was held. While everyone was eating music was played on a portable gramophone. And then came the journey back home. Again the road led over hills and through valleys.

It was a happy crowd of young people that finally arrived back at the Nuss farm to get into their cars and drive home.

NEW HOMES

From 1946 to 1951, inclusive, 485,900 new houses were completed in Canada. During the same period 510,000 new families were formed. It is estimated that by 1955 housing production can be increased to 1,300,000 units a year, thus aligning the number of new homes both with family formation and economic development.

This would entail steady employment for 350,000 workers. Continuation of controlled sales prices for houses is the only serious threat to development. The controlled prices are too low to permit builders to operate economically. Construction costs are uncontrolled and rising. As a result many builders are curtailing their commitments. The way to get all Canadians adequately housed as soon as possible is to leave the job to the free market economy.

WEDDINGS

LUFT — OWENS

On August 9th at 3 p.m., the Westcott United Church was the scene of a beautiful ceremony when Miss Myrtle Wilma Owens, daughter of Mr. and Mrs. Sheldon Owens, became the bride of Wilfred Leslie Luft. Rev. Armstrong performed the marriage rites in front of an altar banked with deep blue flowers.

Given in marriage by her father, Mr. Sheldon Owens, the bride wore a floor length gown of lace panelled nylon with full long skirt, short puffed sleeves and sheer tucked bodice. The ensemble was crowned by an elbow length veil of nylon lace falling from a pearl-studded accorion-pleated headress. Her elbow-length gloves patterned as silk completed the picture. The high, plain neckline was set off by a sparkling rhinestone necklace, the gift of the groom. The bouquet she carried consisted of two dozen red roses entwined with yards of white ribbon.

She was attended by her cousin, Miss Carroll Owens, as maid of honor, and her sister, Winifred Owens, as bridesmaid. They wore matching gowns in pastel shades of green and pink with pretty short veils and long gloves. Their bouquets, similar to that of the bride, contained roses and were entwined with ribbon, matching their gowns.

The groom was accompanied by Mr. Roy Luft and Mr. Gordon Luft. Mr. Glen Luft and Mr. Murray Owens were ushers.

The mother of the bride wore a wine dress complemented by dark blue accessories. The groom's mother wore a dress of Queen's blue with matching hat and gloves.

Miss Mildred Luft sang "I'll Walk Beside You" during the signing of the register. Following this a reception was held in the basement of the church. An entertaining and amusing "toast to the bride" was proposed by her uncle, Mr. Lawrence Owens, to which the groom responded fittingly.

When the happy couple departed for their honeymoon in the United States they were wearing twin suits of deep blue wool with white carnations at their lapels. On their return they will reside west of Didsbury.

SALT IN BODY LOST THROUGH PERSPIRATION

The advent of harvest and hot weather will see a lot of sweat lost in the hay fields of Alberta. A good deal of salt, or as it is chemically called, sodium chloride, will also be lost through prolonged and excessive perspiration.

This excessive loss of salt must be replaced if a condition of exhaustion is to be avoided.

Salt tablets are available at most drug stores, but additional salt taken at meal-times from the salt shaker can quite adequately make up any deficit.

The St. Mary's River irrigation project now nearing completion in Alberta embraces 220 miles of main canals and 2,220 miles of smaller canals via which 400,000 acres will be irrigated.

Engwer-Janzen Nuptials Held

Bouquets of sweetpeas and baskets of gladioli formed a beautiful setting at the altar of the Evangelical Church, Didsbury, on Wednesday, August 13 at 2:30 p.m., when Shirley Lois, second daughter of Mr. and Mrs. Dave Janzen, exchanged nuptial vows with Mr. Albert Engwer of Didsbury. Rev. A. J. Grams officiating.

The bride entered the church on the arm of her father to the strains of the wedding march, played by Mrs. Jean Broadhurst.

The bride wore a gown of white applique organza, featuring a small train and beaded skirt, short puff sleeves and long lace mitts.

Her floor-length veil was held in place by a coronet of satin and net. Her only jewelry was a triple strand of pearls, a gift of the groom. She carried a bouquet of red roses.

Miss Dolores Janzen, who attended her sister as maid of honor, wore pink applique organza, a pink net half bonnet and pink mitts. She carried pink carnations. Miss Elaine Goetjen, as bridesmaid, wore blue applique organza, blue net half bonnet and blue mitts, and carried Ko-Ko-Mo carnations.

Mr. Ed Engwer attended, his brother and Mr. Kenneth Janzen and Mr. Stanley Janzen, brother and cousin of the bride, acted as ushers. Miss Phyllis Fox sang "Blessed" during the signing of the register.

To receive the guests the bride's mother chose navy crepe with white accessories and a corsage of white gardenias.

Mrs. E. Engwer, sister-in-law of the groom, chose navy sheer with pink accessories and a corsage of white gardenias.

A reception was held in the church basement following the ceremony at which 50 guests were present. A three-tiered wedding cake centred the bride's table, which was also surrounded by white net and pink sweetpea heads. Lighted tapers flanked the setting.

The guests were served by Miss Deloyce Goetjen, Miss Twila McCoy, Miss Mona Stevens and Miss Lillian Miller.

Mr. Stanley Janzen served as master of ceremonies for the reception, during which Mrs. R. Cunningham gave a reading on "The Home." Mr. E. Coorswell gave the toast to the bride and Miss Phyllis Fox sang "I Love You Truly." The groom very fittingly replied to the toast.

For a wedding trip to Yellowstone Park and other U.S. points, the bride changed to a blue grey suit, which matched the groom's, with red accessories and a corsage of sweetheart roses.

On their return Mr. and Mrs. Engwer will make their home in Didsbury.

Out-of-town guests in attendance were Mr. and Mrs. Ed Engwer of Tabor, Mr. and Mrs. Kenneth Janzen of Montgomery and Miss Dolores Janzen of Brantford, Ont.

Mr. and Mrs. Alf Allan and Dr. and Mrs. R. E. McKenzie returned Saturday following a week spent at Sylvan Lake.

Since the Rev. E. B. Fox has been asked to serve as guest speaker at the Mission Festivals at Craig and Alhambra, in the Red Deer parish on Sunday, Aug. 24, there will be no services at Redeemer Lutheran Church this coming Sunday. On Sunday, Aug. 30, Redeemer Church will celebrate its annual Mission Festival. The guest speaker will be the Rev. Fred Ulmer from Brightview, Alta. Services on that day will be at 10:30 a.m. and again at 2:30 p.m., with a joint luncheon for everyone during the noon hour.
